Edward Arthur Campbell, LMFT of Menifee, CA., passed on Tuesday, February 9, 2021. Ed was born June 25, 1974 and was raised in Racine, Wisconsin. He was 46. He is survived by his wife, Brooke (Riley) Campbell, two young sons, son Patrick Michel of Long Beach, father Gary Campbell of Racine, Godfather Kevin Campbell, Godmother Pat Isaacson, along with aunts, uncles, cousins and the Riley family. Preceding him in heaven is his mother, Suzanne Mary Campbell, his grandparents Edward and Rosemarie Campbell and Grandparents Nick and Isabelle Comande. Ed Graduated from St Catherine's High School in 1993. He received a Bachelor's of Science in Psychology from Edgewood College in 1997. He then went on to get two masters degrees. A Masters of Arts in clinical psychology, emphasis on marriage and family therapy, from Pepperdine University in 2000 and a Masters in Business Administration, Health Care Management, from University of Phoenix in 2004. Ed spent his career helping the youth. He was passionate about helping children and families. He worked for ChildNet Youth and Family Services for over 15 years and most recently Uplift Family Services, as well as many group homes.

Ed Moved from Wisconsin to LA in 1998. He managed bands, a few 'D List' actors and DJ'd in Hollywood while working on finishing his degree. He also worked at a group home. He lived in an apartment building in LA filled with elderly Russian people who didn't speak English and he loved it! In 2003 Ed was blessed to meet his son Patrick whom he dearly loved and moved to Long Beach, then Bellflower. Ed met Brooke in 2014 at a Disney event. They married in 2016 and grew their family shortly thereafter.

Friends and family fondly remember Ed as the most kind and caring individual, one could be so lucky to know! He was great at staying in touch with a call, text, email or Facebook comment. You could always count on Ed to send a meme. He had an encyclopedic mind when it came to music and concerts. He could spout a fact about a concert from 30 years ago. Tell him a date and he would tell you the location, bands and set lists. Ed enjoyed everything Disney - from visiting the Parks to movies and merchandise. He was a collector of music, movies, POP figures and of course a fan of Star Wars, Avengers and The

Simpsons. He could quote scenes from all. He loved pop culture, video games and spending time with family and friends. Ed & Brooke hoped to visit all Disney resorts around the world. They checked off 3 (CA, FLA & Paris). He even made it to Ireland, Scotland and France! Ed accomplished so much in his young life! He is so loved and will be greatly missed!

“Remember me  
Though I have to say goodbye  
Remember me  
Don't let it make you cry  
For ever if I'm far away  
I hold you in my heart  
I sing a secret song to you  
Each night we are apart  
Remember me  
Though I have to travel far  
Remember me  
Each time you hear a sad guitar  
Know that I'm with you  
The only way that I can be  
Until you're in my arms again  
Remember me” - Coco

Celebrations of life will be held in Racine, WI and Southern California at later dates.

“ I will never forget all of the great times we had together. I think going to Lollapalooza 1992 will be one of my fondest memories of you. I wish I could have told you how much I valued our friendship. The way you made me a break-up mixed tape because you knew I was sad and loved music just as much as you. When you brought me back from Disney Land the Cheshire cat because I loved Alice in Wonderland so much and still do. Most of all the way you were my best friend when I was pregnant with my son. You were right by my side through thick and thin. You were a kind, caring, and amazing soul. My deepest condolences go out to your wife, children, and family. You all will be in my prayers. You will be greatly missed! Fly high with the angels Ed!
