“ Family - I mourn with you and your great loss on this Earth. My prayers to each of you is the grace God provides each of us as we ascend to Him. Grandma will always be the Snow White of the desert. Remembering her sincere love for each of us gives me hope.. I pray my message to her was heard but I know, seeing you, her children, was more than amazing as she transcended. I love you all and be faithful that we will see her again in the kingdom as we're called to. So much love to you all.
