

Teresa Dominick

September 11, 1959 - November 27, 2021

Teresa Dominick, 62, of Chino, CA went to be with our Lord on Monday, November 27, 2021 at Temecula Valley Hospital.

Teresa was born in Hometown, Chino on September 11, 1959 to Henry and Anne Vanderlaan and graduated at Ontario Christian and continued to Mt. Sac College. Words overflow like a fountain for our Teresa; wife, mother, sister, friend, and daughter, who lived a beautifully charismatic life from start to end. Everyone who knew Teresa knew that she was an extremely kind, loving, gentle, and peaceful person but also had a free spirit and her love of life was evident in the way she lived. From her childhood days, Teresa loved to take her horses out and was raised on a dairy, where she milked cows before she left for class in the mornings. She was proud of her Dutch heritage, honored her traditions, and loved her family very much. She loved the outdoors, from fishing, to camping, horse-back riding, snow-skiing, water-skiing, off-roading on her quad, to bicycling; there wasn't any outdoor sport that she wasn't good at or wouldn't try without a smile. Teresa had a companionship & love for animals her whole life and cherished her cats, dogs, and all of her pets.

Teresa worked at a medical group and was a price-cost analyst for the B-2 bomber for Northrup and traveled the country to negotiate sales with the company. She went on to marry Vincent Dominick in 1989, after meeting him at a tractor race in Temecula where they celebrated 38 years of a loving, faithful, and an adventure filled marriage. Whether they were traveling to go snow-ski, ride their jet-skis on the lake or to dinners out in the town, they enjoyed life to the fullest with each other. Teresa and Vincent built their construction business together where she operated the company. Teresa had three children, Tiana, Austin, and Raquel Dominick. She was a dedicated mother first and foremost and always took care of her children. She was a true example of a mother that every child deserves to have. Teresa was a real entrepreneur at heart and started her own business in 2021, The Rose Barrel, with her sister-in-law and friend, Annette Sousa. She was passionate in everything she did and her love will live on to guide us all.
