Trevonte' Lemond Glymph was born to Olivia and Richard Glymph October 2, 1995. He was third of four children born to their union. He was 8th in birth order out of his mother's 9 children and 7th in birth order out of his father's 9 children. Trevonte' was baptized at the tender age of six and was taught the ways of the bible from that point on. Trevonte' proved to be an animated soul from a very young age. Always the smiler, always the jokester. He was competitive. Trevonte' did his best to stay in step with his siblings, nephews and nieces and cousins, not willing to be defeated easily. Trevonte' grew up into quite the adventurous teenager venturing out into the world to see what he was missing. His outlook on life took a drastic change when his mother passed away a month and a half before his 16th birthday. From that time on He was in a altered headspace, then he met Ashley Bond in September 2014. Trevonte' found in her someone who could weather the storms of his life with him and they married March 8, 2016. With her he found the courage to return to highschool and received his diploma and also became a truck driver.

To their union was Born two beautiful daughters Isabella age 4 and Naomi age 19 months. His daughters were the light of his life. When he wasn't on the road driving trucks, he lavished his time and love on them. Trevonte' was the life of any function he attended. His charm and character will be greatly missed. Trevonte' departed this life at the tender age of 25 on December 22, 2020. Both his mother and Father preceded him in death.
